The Complete
Binan Guide

[First Edition]

One copy per house!!

Know all about the good looking guys!!

An easy-to-understand summary guide for the traits and couples among the good looking guys gathered in the "Mason de Soleille" ... well, it's entirely useless, but you'll acquire the knowledge that springs forth.

(Name) Sueshita Kanae

(Nickname) Denka

Birthday: March 21st
Age: Unknown
Sign: Aries
Blood Type: O

Characteristics: He's carried his glittering aura since birth and is able to control it voluntarily. Lately his sole entertainment has been to enjoy Junya in a slow, agonizing way. If I have to say it, an extreme sadist

Owner of the Mason de Soleille. Truthfully, he manages many hotels (love hotels), a king of the night.

Usually a gentle king, but anyone harassing Junyo really fires him up. He'll knock out street punks with one kick!

Even more so than his beautiful voice, his devastating power when whispering into someone's ear is outstanding. Wouldn't even straight men get bothered by it!?

See Ch 5, p 16

Everyone here is a diamond in the rough...
*Likes nurturing
*Likes keeping people in agony
*Dresses younger than his age.
*The crimson earrings he's kept close since he was a child are mementos of his grandmother
Rize-sensei's short memo.

A boy who left home hoping to become a musician. Actually, his body's so nice that he's got tight abs.

While he was wearing the clothes his mom bought him, he looked like a real nerd. Even now he'll wear a strange shirt occasionally

See Ch 1, p 6

Bondage masterpiece!! Considering the size didn't fit on little Tayuu, it really seems like it's meant for male consumption

(Name) Natori Junya

(Nickname) Gozen

Birthday: July 8th
Age: 21
Sign: Cancer
Blood Type: A

Characteristics: Has a beautiful voice, but no sense of rhythm (which he isn't aware of). Loves 70s folk songs the most. Though he acts utterly harmless, every now and then he'll say something horrible, so maybe he's a sadist.

so they make rods like that too, huh...
Horrible words for an uke to casually say to his partner
Horns
• Surprisingly thoughtless
• Bad at complimenting or getting compliments
• He planned to sing folk songs, but wound up doing mostly pop songs
Rize-sensei's short memo.

(Name) Christian Bernadotte

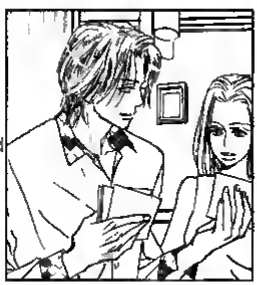
(Nickname) Earl

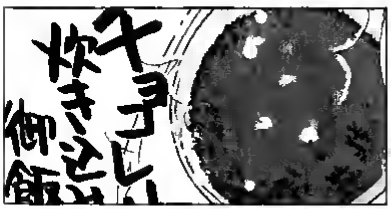
Birthday: June 9th
Age: 23
Sign: Gemini
Blood Type: O

Characteristics: Actually an earl by birth (!!). Prefers to wear shirts with strange colorful patterns. Because of his job as a model (?), he gets tired of showing off when he's out and about, and as a result his lazy nature is amplified.

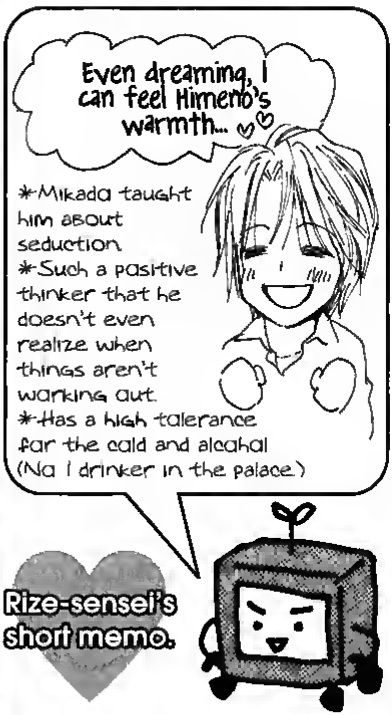
An exchange student who came to Japan to study Japanese cuisine. Some of his expressions of love are Latin-based, but he's actually from Sweden.

In addition to his studies, he has a part time job as a model. Actually good enough that he also appears in top-class image art and such.

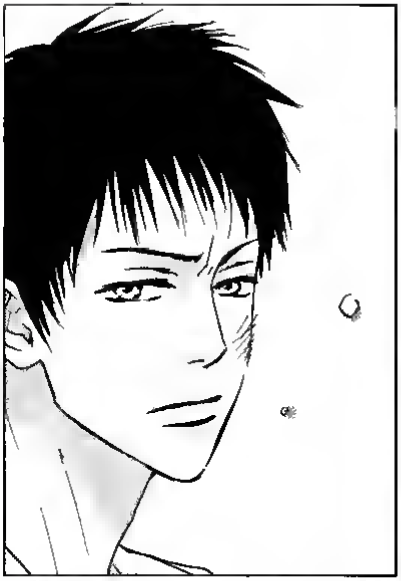




If you give it a try, it's unexpectedly tasty chocolate rice. Still, completely incompatible with raw fish.



Even dreaming, I can feel Himeno's warmth...
*Mikada taught him about seduction.
*Such a positive thinker that he doesn't even realize when things aren't working out.
*Has a high tolerance for the cold and alcohol (No I drinker in the palace.)
Rize-sensei's short memo.



Training to become a top-class sushi chef. Of all the characters in the palace of good looking men, he's the only one with good sense.

Since he's sensitive about his delicate body, he exercises. However, he's easily pushed down by the earl's brute strength.

He has a high tolerance for alcohol, but he fights when drunk. A fighting drunk, and lovey-dovey drunk!? He only lets the earl approach him when he's drunk...

(Name) Himeno Yuusuke

(Nickname) Hime

Birthday: September 1st
Age: 19
Sign: Virgo
Blood Type: AB

Characteristics: When he was little he was called "Yuuyuu" and was adored by the girls. Both then and now he doesn't care for nicknames. He wants to be manly, but his circumstances make it hard.

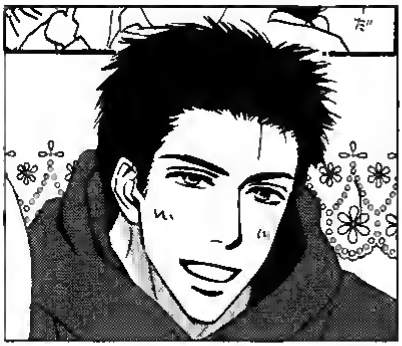
Tch! That giant pervert again...!
Himeno!
*Ran away from home at 15 on a bicycle he bought himself
*Has one older sister who acts like an older brother
*Doesn't like being called "Hime", but since he gets mad enough with his real name he's considered changing his surname.
*Hates Mikado for teaching people unnecessary things.
Rize-sensei's short memo.

Shogun

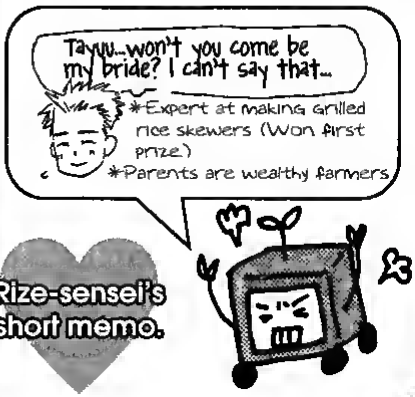
Birthday: December 23rd Age: 23
Sign: Capricorn Blood Type: A
Characteristics: From Tohoku. He speaks Japanese without an accent, but he's less careful when drunk and slips up. Not one to be suspicious of or hate others, and it seems like he's completely unaware of Tayuu's fickle nature...

(Name) Gunji Masaru

(Nickname) Shogun



A practical guy. He's the type who could build a doghouse by himself, someone you could count on to survive on a deserted island.



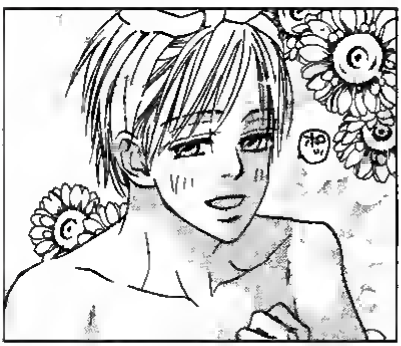
Tayuu...won't you come be my bride? I can't say that...
*Expert at making grilled rice skewers (Won first prize.)
*Parents are wealthy farmers.
Rize-sensei's short memo.

Tayuu

Birthday: October 10th Age: 28
Sign: Libra Blood Type: B
Characteristics: Picks out the gorgeous nicknames for everyone who joins the palace. He might look like he's unemployed, but at any point he may be working from home as a financial planner.

(Name) Tayuu Ikumi

(Nickname) Tayuu



The problem child of the building. Brings guys over and has sex with them straight away, though he's settled down recently.

Mikado

Birthday: August 1st Age: 35
Sign: Leo Blood Type: B
Characteristics: Has a nagging wife, but his love for his family burns brightly. But his playboy disposition won't calm down, and he can't endure it. He's the type who hardly hears a word when it seems like he's not paying attention to a conversation.

Denka's cousin and childhood friend. He's actually on the board of a finance company, but his wife holds the real power in the family.

(Name) Suou Mikado

(Nickname) Mikado

My Adonis !
Husband and father. Had a shotgun wedding. Adores his 8-year-old daughter and is a devoted family man.
Rize-sensei's short memo.

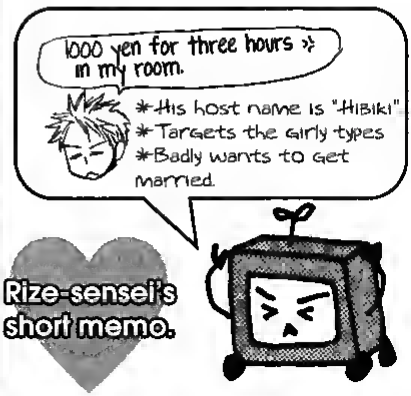
Honda

Birthday: February 3rd Age: 23
Sign: Aquarius Blood Type: AB
Characteristics: An unusual resident who didn't give in to Tayuu's nicknaming. The one normal guy surrounded by homosexual couples. His type is neat girls. A dreamer.

He sends home money from his wages at the host club to help with his many siblings. With guys only, he splits the bill down to the yen.

(Name) Honda Naseru

(Nickname) None



1000 yen for three hours ♡ in my room.
*His host name is "Hibiki"
*Targets the girly types
*Badly wants to get married.
Rize-sensei's short memo.

BINAN NO DENDOU

DELUXE

Binan no Dendou + Binan no Dendou Z = Binan no Dendou DX

Hello, this is Shinba Rize. This is a reprint edition. The whole Binan series collected in one volume! I'm so happy it's in this cute format. When it first started serializing, it was like I was dashing straight forward with my eyes closed. But with the help of those around me, I somehow managed to arrive at this pretty good conclusion. Since there are tons of people who still haven't let go of Binan, if the opportunity presents itself I'd love to draw more.

---The inside scoop

"When I write the title in a hurry, sometimes I inadvertently write out "Binan no Ekiden (relay race)".

"I've made the assistants draw not just the background characters but also speaking characters. Thank you for those times. And I apologize, A-san.
